

Targeting Dyslipidaemia – Emerging Opportunities to Improve Management of Cardiovascular Risk

UNIVERSITY OF GOTHENBURG

Organised by the Sahlgrenska Academy, University of Gothenburg, Sweden
Course Director: Prof. Karl Swedberg

18th April 2012, 14.30-15.30

Dubai International Convention and Exhibition Centre (DICEC)/ UAE

This programme is accredited by the European Board for Accreditation in Cardiology (EBAC) for "1" hour of external CME credit. Each participant should claim only those hours of credit that have actually been spent in the educational activity. EBAC works according to the quality standards of the European Accreditation Council for Continuing Medical Education (EACCME), which is an institution of the European Union of Medical Specialists (UEMS).

Chairperson: Andrew Tonkin (Australia)

14.30	High risk patients –treatment challenges in clinical practice	Kausik Ray (UK)
14.45	Discussion	
14.50	Novel strategies for effectively raising HDL-C	John Chapman (France)
15.05	Discussion	
15.10	Improving patient management – how implementation of the latest guidelines will help	Alberico Catapano (Italy)
15.25	Discussion / Close	

In compliance with EBAC/ EACCME guidelines, all speakers/ chairpersons participating in this programme have disclosed or indicated potential conflicts of interest which might cause a bias in the presentations. The Organizing Committee/Course Director is responsible for ensuring that all potential conflicts of interest relevant to the event are declared to the audience prior to the CME activities.

Supported by an unrestricted educational grant from AstraZeneca
