"Just don't give up trying to do what you really want to do. Where there is love and inspiration, I don't think you can go wrong."

Ella Fitzgerald

We hope all our readers have enjoyed the summer despite the current situation.

We would like to introduce our new CEO Håkan Fröderberg.

Håkan Fröderberg has extensive experience from leading positions in several companies within the life science industry. The board is confident that Håkan with his background and experience is the right person to lead and contribute in developing the company, its people, services and business relationships.

Before joining A+ Science, Håkan worked at Celgene as a Business Unit Director and was a member of the Nordic management team. Prior to that, he was the Nordic CEO of Nigaard Pharma AS / Zambon, where he built the current organization. During his long and successful career in the pharmaceutical industry, Håkan has also worked at Vifor Pharma Nordiska AB, Wyeth, SBL Vaccin AB and Astra.

"I am thrilled to be here, we have a great team here at A+ Science and I am excited to build upon that team as we continue serving our customers, it is always about the people. I look forward to meeting our customers and see how we can support them even better in the future. I also hope that we can broaden

our knowledge into new area and by that become an even better business partner. Finally, it's very exciting to be a part of this side of the pharma industry", says Håkan Fröderberg.
