

A+ Science Newsletter, January 2020

"Never regret a day in your life, good days give happiness, bad days give experience, worst days give lessons and best days give memories."

Paulo Coelho

Another year has passed by, we would like to thank all our readers who accompanied us on our way to the third decade of the 21st century. Looking back, 2019 was a good year, we hope 2020 will be even a better year for everyone.

A new year means new beginnings and new challenges, with this in mind, we would like to bring to your attention that as of 2020 A+ Science be working in close collaboration with partnering CROs. We now cover Sweden, Denmark, Norway, Finland, Germany, Spain, Portugal, Poland, Check Republic, Italy, Switzerland, Slovenia, Slovakia, Russia, Latvia, Ukraine, Georgia, Estonia, Belarus, Bulgaria, Croatia, Hungary, Kazakhstan, Lithuania, Montenegro, Romania, Serbia and Israel.

Our services include, study design, study rescue, feasibility, clinical monitoring, data management and statistics, regulatory, project management, medical writing, pharmacovigilance (safety), quality assurance, GCP audits and trainings, clinical research and development plan consultancy.

Do not hesitate to contact us at info@a-plusscience.com to find out about how A+ Science can help you conduct your clinical trial. We offer custom-made and flexible solutions which increase efficiency and reduce costs associated with bringing new pharmaceuticals to market, our aim is to assist you in reaching your goals and objectives.
