A+ Science, a CRO run by its employees

Our vision is to become the CRO best known for its unique and dedicated personnel with focus on customer satisfaction. To Earn Trust- Make Difference

Another year goes by, with this last newsletter of 2016 we would like to wish all our readers a holiday season filled with fun and fond memories as well as a peaceful and greener 2017.

We are very excited to welcome the new year as A+ Science will turn 20 in 2017. We are very proud, this would have been impossible without the support of our partners and customers who put their faith and belief in us.

During this holiday season, A+ Science has chosen to make a charitable donation to Médecins Sans Frontières (MSF) who bring humanitarian medical assistance to victims of conflict, natural disasters, epidemics or healthcare exclusion.

We wish you all a Happy Holiday. May 2017 be a peaceful year.

A+ Science
