#### **A+ Science, a CRO run by its personnel**

*Our vision is to become the CRO best known for its unique and dedicated personnel with focus on customer satisfaction. To Earn Trust- Make Difference.*

Few lines from our CEO, Anna Fröling.

Thank you for your continued confidence in A+ Science. Over the last 19 years, we have remained dedicated to developing our people, strengthening our capabilities and building trusting relationships with our customers and partners. We also pride ourselves on delivering high-quality solutions aligned with the key objectives of our customers. We do so with flexibility that fit your objectives.

I hope everyone will get a chance to spend some quality time with family and friends this summer. Having a good balance between leisure and work is something we strive for at A+ Science.

On behalf of everyone at A+ Science, I would like to wish you all a wonderful and relaxing summer.

A+ Science will be attending several events. If you will be participating and wish to meet us there, please send an email to [info@a-plusscience.com](mailto:info@a-plusscience.com)
