"The purpose of a business is to create a customer who creates customers"

Shiv Singh

A+ Science is proud to announce that Janet Post joins the company as Medical Director.

Janet has a medical degree from Karolinska Institute and an MBA from Stockholm School of Economics. She has practiced medicine for few years and has thirteen years of clinical trial experience from the pharmaceutical industry and almost seven years of experience as Clinical Assessor at Medical Products Agency. During the years in the pharma industry she worked as Assistant Regional Director, Senior Research Physician/Target Physician, mainly within clinical trials phase I-III and in different therapeutic areas such as pain, psychiatry, women's health, cardiovascular, infectious diseases as well as within pharmacovigilance.

"I'm happy to join A+ science and its experienced and dedicated personnel. The first thing I noticed was the very positive atmosphere. What also makes the company very interesting is the four core business areas; Clinical Operations, Pharmacovigilance, City Site and Clinical Outsourcing of Consultants. I now look forward to be part of the motivated team and work with my new colleagues at A+ Science," says Janet post.
